Letter of Support for the .tirol Initiative by punkt Tirol GmbH

Ladies and Gentlemen,

The Tyrolean Officers Association (OGT) is member of the Austrian Officer's Association (ÖOG) and deals with subjects of regional and national defense- and security policy. Beside federal army officers also officers of the federal police are represented in this organization.

Our organization is a supporter of the .tirol initiative of punkt Tirol GmbH.

This letter is to confirm that our organization continues to fully support the application for .tirol by punkt Tirol GmbH submitted to ICANN. The .tirol TLD will be used to provide a namespace for all Tyroleans worldwide on the Internet. We have accompanied and supported punkt Tirol GmbH and its executives closely in the development of this proposal. We understand that in the event that the application is successful, punkt Tirol GmbH will enter into an agreement with ICANN. In doing so, the company will be required to comply with consensus policies developed through the ICANN multi-stakeholder policy processes.

As the representative of our organization I confirm that I have the authority to be writing to you on this matter. My contact data are:
