Dear Sirs,

In response to your letter of the 15th February 2012, the International Shooting Sport Federation – ISSF – the world's governing body for the shooting sport and the Olympic shooting disciplines, **confirms its formal support to the acquisition by SportAccord of the .Sport top domain name and to the insitution of a Policy Advisory Board.**

Given the conditions set by SportAccord, that no investments will be required by the International Shooting Sport Federation, and that the costs of the operation will be supported by the non-profit organization CORE, and given the support of the IOC to this project, we will be happy to support you in order to maximize the chances of acquisition of the .Sport top domain name, in the interest of the international sport movement, and to protect the .Sport domain name from misuse by third parties.

We would also like to express our will to have an ISSF representative to be involved in the Policy Advisory Board. Wishing you much success in this project, I remain

With best regards

Franz Schreiber
ISSF Secretary General
