New gTLD Evaluation Process – support of .wien initiative by punkt.wien GmbH

Ladies and Gentlemen,

ISPA is the Austrian association of Internet Service Providers, representing approximately 200 ISPs. ISPA is a major voice of the Austrian Internet industry. Our goal is to shape the economic and legal framework supporting an optimal growth of the Internet and Internet services. ISPA regards the use of the Internet as an important cultural skill and acknowledges the resulting socio-political responsibilities.

In its meeting of March 1st, 2012 the City Council Committee for Education, Information and Sports of the City of Vienna decided to support the application of „punkt.wien GmbH“ for the TLD „.wien“. This letter is to confirm that ISPA supports the application for .wien by punkt.wien GmbH submitted to ICANN based on the decision of the city of Vienna.

As the representative of our organization I confirm that I have the authority to be writing to you on this matter. My contact data are:

Dr. Maximilian Schubert

Letter of Support for the .wien Initiative by punkt.wien GmbH

Ladies and Gentlemen,

Our organization is a supporter of the .wien initiative of punkt.wien GmbH. This letter is to confirm that our organization continues to fully support the application for .wien by punkt.wien GmbH submitted to ICANN. The .wien TLD will be used to provide a namespace for all Viennese worldwide on the Internet. We have accompanied and supported punkt.wien GmbH and its executives closely in the development of this proposal. We understand that in the event that the application is successful, punkt.wien GmbH will enter into an agreement with ICANN. In doing so, the company will be required to comply with consensus policies developed through the ICANN multi-stakeholder policy processes.

As the representative of our organization I confirm that I have the authority to be writing to you on this matter. My contact data are:
