Dear Harry,

dotScot

I am pleased to offer our support for the proposed dotScot (gTLD) aimed at providing a clear identity for Scottish interests and culture on the web.

We are the governing body for Curling in Scotland and we think we would benefit from having such an identifier in our domain name.

We are keen to see the dotScot Registry bid succeed and believe the not for profit model is appropriate for this type of community interest. Should you be successful in your application to ICANN we would be interested in acquiring a .scot domain name for ourselves and in promoting its availability to our members.

Please keep us informed of developments in this regard.

Yours sincerely,

Alastair A Hibbert
