Dear Harry

dotScot

I am pleased to offer EventScotland's support for the proposed dotScot (gTLD) aimed at providing a clear identity for Scottish interests and culture on the web.

EventScotland is the national events agency supporting more than 100 sporting and cultural events in Scotland each year. dotScot will allow our event industry partners to present themselves more clearly to international audiences and assist EventScotland in promoting Scotland as the perfect stage for events to international event owners.

We are particularly keen to see the dotScot Registry bid succeed and believe the not for profit model is appropriate for this type of community interest. Should you be successful in your application to ICANN we would be very interested in acquiring a dotScot domain ourselves, and promoting its availability to our partners. Please do keep us informed of developments in this regard.

Yours sincerely

Paul Bush OBE
Chief Operating Officer
