Dear Mr McGrath

dotScot Ltd

I am pleased to offer our support for the proposed dotScot (gTLD) aimed at providing a clear identity for Scottish interests and culture on the web.

As you know, we represent around 1980 members covering all aspects of the business community in Edinburgh.

We are particularly keen to see the dotScot Registry bid succeed and believe the not-for-profit model is appropriate for this type of community interest. Should you be successful in your application to ICANN we would be very interested in acquiring a dotScot domain ourselves, and promoting its availability to our members. Please do keep us informed of developments in this regards.

Yours sincerely
