Dear Harry

DOTSCOT

I am pleased to offer our support for the proposed dotScot (gTLD) aimed at providing a clear identity for Scottish interests and culture on the web.

As you know, I live in Nova Scotia and have a company called "Scots Around The World". I intend to promote dotscot to all interested parties here in Nova Scotia and of course Canada as a whole. I do not have to tell you how large the Diaspora is here in Canada, I'm sure each and every single person would be interested to hear of this simply fantastic project

We are particularly keen to see the dotScot Registry bid succeed and believe the not for profit model is appropriate for this type of community interest. Should you be successful in your application to ICANN we would be very interested in acquiring a dotScot domain ourselves, and promoting its availability to our members. Please do keep us informed of developments in this regard.

Yours sincerely

Ian Russell
