New gTLD Evaluation Process – support of .tirol initiative by punkt Tirol GmbH

Ladies and Gentlemen,

ISPA is the Austrian association of Internet Service Providers, representing approximately 200 ISPs. ISPA is a major voice of the Austrian Internet industry. Our goal is to shape the economic and legal framework supporting an optimal growth of the Internet and Internet services. ISPA regards the use of the Internet as an important cultural skill and acknowledges the resulting socio-political responsibilities.

On March 12th, 2012 Günther Platter as the governor of Tirol confirmed his support for the application of „punkt Tirol GmbH“ for the TLD „.tirol“. This letter is to confirm that ISPA supports the application for .tirol by punkt Tirol GmbH submitted to ICANN based on the letter of support issued by governor Günther Platter.

As the representative of our organization I confirm that I have the authority to be writing to you on this matter. My contact data are:

Attention: New gTLD Evaluation Process

Letter of Support for the .tirol Initiative by punkt Tirol GmbH

Ladies and Gentlemen,

VIBE!AT (Verein für Internet-Benutzer Österreichs – Association for Internet Users Austria) was founded in 1999 to address the interests of the Internet users to government, Internet service providers and other organisations. Its main goal is to optimize cooperation between authorities, economy and the individual members of the Internet community and to strengthen intensive and free use of the Internet.

Our organization is a supporter of the .tirol initiative of punkt Tirol GmbH.

This letter is to confirm that our organization continues to fully support the application for .tirol by punkt Tirol GmbH submitted to ICANN. The .tirol TLD will be used to provide a namespace for all Tirolian worldwide on the Internet. We have accompanied and supported punkt Tirol GmbH and its executives closely in the development of this proposal. We understand that in the event that the application is successful, punkt Tirol GmbH will enter into an agreement with ICANN. In doing so, the company will be required to comply with consensus policies developed through the ICANN multi-stakeholder policy processes.

As the representative of our organization I confirm that I have the authority to be writing to you on this matter. My contact data are:
