Dear Mr. Brian Cate:

The Cameroon Youths and Students Forum for Peace (CAMYOSFOP) is a non-governmental
organization (NGO) located in Cameroon. We were founded in the year 1999 but got our
authorization from the government on October 10, 2001. We specialize in work on peace,
development and youth policies. We have more than 2000 members who are most students
in the various secondary schools and universities where we have created clubs in Cameroon.

We are writing this letter in support of the application by Public Interest Registry (PIR) to
operate the proposed .NGO Top Level Domain (TLD).

We appreciate PIR's record of service and technical expertise, and believe that – as and NGO
themselves – they can provide value to the NGO community by operating .NGO.

CAMYOSFOP encourages ICANN, the Internet Corporation for Assigned Names and Numbers,
to grant PIR's .NGO application to bring these benefits to the global NGO community.

We, APSS, are a non-governmental organization (NGO) located in Chandra Mangal Bhawan, Buddha Marg Sara, Dist. Vaishali, Bihar.

We fully supports Public Interest Registry's (PIR's) application to the Internet Corporation for Assigned Names and Numbers (ICANN) to operate the .NGO Top Level Domain (TLD). We recognize PIR as a not-for-profit whose operation of the .NGO TLD will provide benefits to the NGO community.

We understands that PIR's proposed .NGO TLD will provide NGOs with a secure domain name and web-based services that will allow NGOs, wherever they are located, to be more intuitively accessible and to promote their respective missions online.

We encourage ICANN to grant PIR's .NGO application to bring these benefits to the global NGO community.
