We are a non-governmental organization (NGO/ONG) and fully support Public Interest Registry's (PIR's) application to the Internet Corporation for Assigned Names and Numbers (ICANN) to operate the .NGO/.ONG Top Level Domain (TLD). We recognize PIR as a not-for-profit whose operation of the .NGO/.ONG TLD will provide positive benefits to the NGO/ONG community.

We understand that PIR's proposed .NGO/.ONG TLD will provide ONGs with a secure domain name and web-based services that will allow ONGs/ONGs, wherever they are located, to be more intuitively accessible and to promote their respective missions online. Therefore, we encourage ICANN to grant PIR's .NGO/.ONG application to bring these benefits to the global NGO/ONG community.
