

UMMAH DIGITAL .UMMAH TLD POLICY
DRAFT v2, 12 April 2012

Purpose:

This document contains UMMMAH DIGITAL's draft policy for the .UMMAH top level domain ("TLD"), included are the .UMMAH [Registrant Agreement](#), .UMMAH [Acceptable Use Policy](#) ("AUP"), and the .UMMAH [Privacy and RDDS Policy](#).

Context:

The documents that follow create a contractual and policy framework that protects Registrants, Internet users and the .UMMAH brand by combating abuse of the DNS, mitigating cybercrime, protecting intellectual property, and aligning use of the .UMMAH TLD with UMMMAH DIGITAL's target market and ICANN policy. The .UMMAH policies will invariably be updated from time to time in order to comply with UMMMAH DIGITAL (and where required) ICANN policies.

The proposed policy matrix addresses the acceptable use of .UMMAH domains in recognition of the fact that the DNS is often part of the publication chain of Internet content. While UMMMAH DIGITAL cannot remove prohibited, malicious or unlawful content from the Internet, UMMMAH DIGITAL will endeavour to ensure that .UMMAH TLD's Registry Services are not part of the publication chain.

The .UMMAH domain licence is subject at all times to a Registrant's compliance with the .UMMAH AUP. The contractual and policy framework allows for registry-level suspensions for Acceptable Use Policy (AUP) violations, URS and UDRP transfers.

[Registrant Agreement](#) - This is a collateral agreement that supersedes Registrar-Registrant agreements and binds the registrant to UMMMAH DIGITAL's .UMMAH Acceptable Use, Privacy and RDDS policy, ICANN dispute resolution mechanisms and the UMMMAH DIGITAL's Complaint Resolution Service.

[Acceptable Use Policy](#) - The AUP policy is incorporated by reference into the [Registrant Agreement](#) and defines the acceptable use of the UMMMAH DIGITAL and Registry Services Provider's network and all domains that end in .UMMAH.

[Privacy & RDDS Policy](#) - This policy is incorporated by reference into the Registrant Agreement and describes the .UMMAH Privacy and RDDS (WHOIS) policy.

UMMAH DIGITAL .UMMAH TLD | REGISTRANT AGREEMENT
V2.0 DRAFT – MAY 21, 2012

This **REGISTRANT AGREEMENT** (the "Agreement") is entered into, by and between the applicant for registration of the .UMMAH domain name ("Registrant") and UMMAH DIGITAL LIMITED ("UMMAH DIGITAL"). Additional agreements provided by ICANN accredited registrars, if any, may be entered into between the Registrant and such accredited registrars relating to domain name services in the .UMMAH TLD, provided that no such additional agreement may waive, alter, or supersede any provision of this Agreement or ICANN policy. If there is any conflict between such additional agreements and this Agreement, this Agreement shall prevail.

TERMS AND CONDITIONS:

1. *By applying to register* one or more .UMMAH domain names (the ".UMMAH Domain name(s)") in the .UMMAH TLD (hereinafter referred to as an "Application") or by using one or more .UMMAH Domain name(s), the Registrant acknowledges that they have read and agree to be bound by all terms and conditions of this Agreement as well as the other documents, policies, and agreements which are incorporated into this Agreement by this reference and which shall hereinafter (together with this Agreement) be referred to as the "UMMAH DIGITAL Policies":

The .UMMAH TLD Policies, including:

- The Privacy and RDDS Policy
- The UMMAH DIGITAL .UMMAH Acceptable Use Policy ("AUP")
- ICANN Uniform Rapid Suspension System ("URS") and UDRP rules and policies
- The UMMAH DIGITAL .UMMAH Complaint Resolution Service ("CRS") rules and policies
- Other UMMAH DIGITAL or ICANN rules or policies that are now, or may in the future, be published by UMMAH DIGITAL.

The UMMAH DIGITAL Policies are recursive, they apply to all domains and sub-level domains which end in the suffix .UMMAH and explain the rights and obligations between UMMAH DIGITAL and the Registrant. Those parts of the UMMAH DIGITAL Policies, which are not part of the text of this Agreement, are incorporated into this Agreement by this reference. UMMAH DIGITAL may accept the Application by facilitating registration and resolution of the .UMMAH Domain name(s); such acceptance shall be deemed to have occurred at UMMAH DIGITAL's principal place of business in Gambia. UMMAH DIGITAL may modify the UMMAH DIGITAL Policies from time to time. UMMAH DIGITAL shall post (publish on or link to) the UMMAH DIGITAL Policies on UMMAH DIGITAL's web site. Revised UMMAH DIGITAL Policies become effective 21 (twenty one) calendar days after posting. UMMAH DIGITAL may inform registrants of changes to UMMAH DIGITAL Policies via email and the Registrant agrees that such email shall not be considered spam; however, UMMAH DIGITAL shall not be obligated to provide such notice via email.

The Registrant's use of the .UMMAH Domain name(s) following the effective date constitutes the Registrant's acceptance of the revised UMMAH DIGITAL Policies. In the event that the Registrant does not wish to be bound by the revised UMMAH DIGITAL Policies, the Registrant's sole remedy is to cancel the registration of the .UMMAH Domain name(s), following the appropriate UMMAH DIGITAL Policies regarding such cancellation.

2. *Registration Fee.* The Registrant shall pay to an ICANN accredited registrar the appropriate registration fee ("Registration Fee") applicable at the time the Registrant submits its Application to such accredited registrar. Payment of Registration Fees shall be made in accordance with the requirements of the accredited registrar's and UMMAH DIGITAL's Policies effective at the time the Registrant submits the application for registration and/or any

payment required to maintain a registration. All Registration Fees paid pursuant to this Agreement are non-refundable except as provided for herein. It shall be the responsibility of the accredited registrar to pay the appropriate registration fee owed to UMMAH DIGITAL by such registrar and UMMAH DIGITAL will not be bound to accept any Application until such separate registration fee is paid and a domain is Activated by the Registry Services Provider. It shall not be the duty of UMMAH DIGITAL to refund any Registration Fee or other fee to the Registrant in the event of non-performance by such registrar.

3. *Term and Renewal Term.* The Registrant's exclusive registration of the .UMMAH Domain name shall continue for the term specified in an accepted Application (the "Term"), subject to UMMAH DIGITAL's right to suspend or terminate this agreement.
4. *Registrant Information.* The Registrant shall ensure that: (i) the information submitted by or on behalf of the Registrant to the .UMMAH TLD registry in connection with registration of the .UMMAH Domain name(s) or otherwise ("Registrant Information") is and will be maintained as true, current, complete, accurate, and reliable for the duration of the Term, in accordance with UMMAH DIGITAL Policies; and (ii) the Registrant shall maintain, update, and keep the Registrant Information true, current, complete, accurate, and reliable by notifying UMMAH DIGITAL immediately of a change to any such information in accordance with the appropriate UMMAH DIGITAL Policy relating to modifications to the Registrant Information. UMMAH DIGITAL reserves and may exercise the right to suspend and/or terminate the Registrant's registration of the .UMMAH Domain name if (i) information provided by the Registrant to UMMAH DIGITAL appears to UMMAH DIGITAL in its sole discretion to be false, inaccurate, incomplete, unreliable, or misleading in any respect; or (ii) the Registrant fails to maintain, update, and keep the Registrant Information true, current, complete, accurate, and reliable. The Registrant acknowledges that a breach of this Section will constitute a material breach of this Agreement, which will entitle UMMAH DIGITAL to terminate this Agreement immediately upon such breach without any refund of the Registration Fee and without notice to the Registrant.

For the purpose of the agreement, "true" contact information is defined as information which is identical in every way to that which is provided by the Registrant to the Registrar during or after registration, true contact details shall not be obfuscated or altered by the Registrar prior to lodging with UMMAH DIGITAL or the .UMMAH Registry Services provider.

- (i) The Registrant acknowledges that all personal information about the Registrant which is supplied to UMMAH DIGITAL or an accredited registrar may be required to be publicly disclosed to third parties and used to maintain a public "WHOIS" service, provided that such disclosure is consistent with UMMAH DIGITAL Policies.
- (ii) Registrants must provide the following information to UMMAH DIGITAL or its accredited registrar:
 - Details identifying the Registrant organization including, in the case of an incorporated Registrant, any company number or equivalent identifier and, in the case of an individual, the individual's first and last name (surname), and passport or national identification numbers.
 - Legally recognized first and last name (surname) of the contact person for the Registrant (this contact person may be the Registrant itself).

- If the Registrant is an organization, association, Limited Liability Company, Proprietary Limited Company, or other legally recognized entity, the contact person must be a person authorized under the applicable law in the applicable territory to legally bind the entity.
- Valid postal address of the Registrant.
- Working e-mail address of the Registrant.
- Working telephone number for the Registrant, including, area code, and, if applicable, any required extension number.

Providing true, current, complete, and accurate contact information is an absolute condition of registration of a .UMMAH Domain name within the .UMMAH TLD. If any Registrant Information provided during registration or subsequent modification to that information is false, inaccurate or misleading, or conceals or omits pertinent information, UMMAH DIGITAL may instruct the registry to terminate, suspend or place on hold the .UMMAH Domain name(s) of any Registrant without notification and without refund to the Registrant

- (iii) The Registrant is responsible for keeping the Registrant Information up-to-date and responding in a timely fashion to communications regarding the .UMMAH Domain name or other .UMMAH domains registered by them.
 - (iv) The Registrant may be requested to submit content, material, web page(s) or URL(s) accessed through UMMAH DIGITAL's network to the operators of Internet content filters, and such requests shall be a binding obligation.
 - (v) The Registrant grants an irrevocable licence to the UMMAH DIGITAL, its agents and assignees to access, monitor and scan any content published, including where such processes involve an intrusion or cause modification of data, providing such scanning is for the purpose of identifying internet security vulnerabilities or the presence of malicious software or content capable of causing harm or disruption to the systems of other Internet users.
5. *Agents.* The Registrant understands, acknowledges and agrees that by using the .UMMAH Domain name, the Registrant ratifies and is bound by this Agreement (including the UMMAH DIGITAL Policies incorporated into this Agreement) even if an agent (such as an Internet Service Provider, Domain name retailer, or employee) entered into this Agreement on the Registrant's behalf, and even if the Registrant has not itself read this Agreement. Further, the Registrant is responsible for all information submitted by its agent. UMMAH DIGITAL may but will not be bound to cancel this Agreement, or refund any fees, because of any errors or omissions by the agent in the registration process or thereafter (e.g. if such agent provides incorrect Registrant Information), as such apparent authority will suffice to bind the Registrant. By acting on the Registrant's behalf, such agent represents and warrants to the Registrant and UMMAH DIGITAL that the agent is authorized to bind the Registrant hereto and that it has fully and thoroughly advised the Registrant of the terms and conditions of this Agreement (including the UMMAH DIGITAL Policies incorporated into this Agreement).
6. *Scope of Registration.* On payment of the Registration Fee to the registrar and after payment by the registrar to UMMAH DIGITAL of the separate registration fee and after acceptance of the Application, the Registrant will be entitled to a limited, non-assignable, licence for the exclusive use of the .UMMAH Domain name, subject to continuing compliance with the terms of this

agreement and .UMMAH TLD Policies, for the Term. However, the Registrant will not sub-license, use, display, exploit, or register a .UMMAH Domain name in any manner which, in the sole discretion of UMMAH DIGITAL or its delegee, may constitute illegal activity or cause or permit any contravention or violation of UMMAH DIGITAL Policies, whether or not in connection with the registered domain name. The Registrant acknowledges that a breach of this Section will constitute a material breach of this Agreement, which will entitle UMMAH DIGITAL to terminate this Agreement or take such other action as it deems desirable without any refund of the Registration Fee. UMMAH DIGITAL or an accredited registrar may, in such party's sole discretion, refuse registration of or discontinue provision of services with respect to the Registrant's desired .UMMAH Domain name within sixty (60) calendar days from receipt of payment of the Registration Fee by the accredited registrar. In case of such refusal without cause ("cause" being defined as dishonouring any payment made to an accredited registrar and/or UMMAH DIGITAL or any violation of the UMMAH DIGITAL Policies) neither UMMAH DIGITAL nor an accredited registrar shall be liable for any loss, damage, or other injury whatsoever, including economic or consequential loss, resulting from UMMAH DIGITAL or registrar's refusal to register or to discontinue services in relation to the Registrant's desired .UMMAH Domain name, including in case of negligence.

7. *Registrant Representations and Warranties.* The Registrant represents, warrants, and guarantees that:
- (i) the Registrant understands that registration entitles the Registrant only to a limited licence for the use of the Domain name for the Term, subject to compliance with this Agreement, UMMAH DIGITAL Policies and other pertinent rules and laws, including those concerning trademarks and other types of intellectual property, as these may now exist or be revised from time to time;
 - (ii) the Registrant will not sub-licence, purport to sub-licence, delegate sub-domains within or otherwise permit use by persons other than the Registrant portions of, the .UMMAH Domain name;
 - (iii) to the best of the Registrant's knowledge and belief, neither the registration of the .UMMAH Domain name nor the manner in which it is to be directly or indirectly used infringes the legal rights or intellectual property rights of a third party;
 - (iv) the Registrant will use, display, or exploit the .UMMAH Domain name in good faith, and in accordance with the laws of Gambia, international law, and applicable state laws and regulations, and will not use the .UMMAH Domain name in any way which may violate a subsisting right of UMMAH DIGITAL or any third party;
 - (v) the information provided by the Registrant is true and accurate, and the Registrant will update said information immediately if it changes;
 - (vi) the Registrant is either (a) an identifiable human individual (over the age of 18 years); or (b) a properly described and legally recognized entity (such as a Limited Liability Company, Partnership, Association, Society or Proprietary Limited Company);
 - (vii) the Registrant will promptly notify UMMAH DIGITAL of any actual or threatened proceedings brought in respect to the words used as or incorporated in the .UMMAH Domain name whether by or against the Registrant;

- (viii) the Registrant will not, directly or indirectly, through registration or use of the .UMMAH Domain name or otherwise:
 - (a) register a .UMMAH Domain name for the purpose of unlawfully diverting trade from another business or website;
 - (b) deliberately register as a .UMMAH Domain name misspellings of another entity's personal, company or brand name or confusingly similar Domain name(s) in order to pass-off or trade on the business, goodwill or reputation of another;
 - (c) grant or purport to grant a security interest or other encumbrance on or over the .UMMAH Domain name unless such security interest or other encumbrance does not exceed the limited rights of the Registrant in the .UMMAH Domain name, does not impair the Registrant's ability to fulfil the Registrant's obligations under this Agreement, and does not impose obligations on UMMAH DIGITAL beyond the obligations owed by UMMAH DIGITAL to a registrant in the absence of such a security interest or encumbrance;
 - (ix) the Registrant meets and will continue to meet for the whole of the Term any eligibility criteria prescribed in the UMMAH DIGITAL Policies for registering and using the .UMMAH Domain name;
 - (x) that the Registrant will maintain the Registrant Information provided pursuant to the requirements of this agreement;
 - (xi) the Registrant has not previously submitted an application for registration of a domain name for the same character string with another registrar where:
 - (a) the Registrant is relying on the same eligibility criteria for both domain name applications; and
 - (b) the character string has previously been rejected by the other registrar;
 - (xii) any content, material or web page contained on any Uniform Resource Locator ("URL"), web site or web page accessing, utilising or accessed by means of the .UMMAH Domain name complies with the UMMAH DIGITAL Acceptable Use Policy and does not contain any illegal or prohibited content, including, but not limited to indecent, obscene, or pornographic material (as described more fully in the UMMAH DIGITAL Acceptable Use Policy), whether incorporated directly into or linked from a web site resolved via a .UMMAH Domain name;
 - (xiii) the Registrant warrants that it has not relied upon any representation or promise which does not appear in this agreement;
 - (xiv) the use of the .UMMAH Domain name and of any web page or URL accessed by or utilising the .UMMAH Domain name will comply with the requirements of the UMMAH DIGITAL's Acceptable Use Policy and UMMAH DIGITAL's recommended policies including, without limitation, those policies relating to spam.
8. *Breach.* Failure of a Registrant to abide by any provision of this Agreement (including UMMAH DIGITAL Policies) will be considered a material breach. In the event of such material breach, UMMAH DIGITAL may immediately suspend the Domain name and/or may provide a written (including email) notice to the Registrant describing the breach. The Registrant in such event then has thirty (30) days to rectify or cure such breach or to provide evidence reasonably satisfactory to UMMAH DIGITAL that there is no breach of this

Agreement or UMMAH DIGITAL Policies. In the event of a breach that is not rectified, cured or refuted by the Registrant to UMMAH DIGITAL's satisfaction, UMMAH DIGITAL may cancel the Registrant's registration of and licence to use the .UMMAH Domain name without refund and without further notice, and pursue any and all legal remedies it may have against the Registrant. Any such breach by the Registrant shall not be waived in the event that UMMAH DIGITAL did not act earlier in response to the breach by Registrant. In the event of a breach which, in the opinion of UMMAH DIGITAL or an accredited registrar, causes immediate harm to the public interest or the UMMAH DIGITAL Network or which violates any applicable law or regulation, then an accredited registrar and/or UMMAH DIGITAL or its nominee or agent may modify, suspend, or terminate services to the Registrant without written notice, the modification, suspension, or termination of services constituting notice to Registrant that such a breach has occurred. See Section below for important limitations on the liability of UMMAH DIGITAL and accredited registrars with regard to good faith acts by such parties under this Section.

UMMAH DIGITAL may delegate authority to:

- (i) investigate any breach or potential breach of .UMMAH TLD Policies; and
- (ii) take action to cure or sanction any breach or potential breach of .UMMAH TLD Policies;

Including the authority to automatically suspend use of the .UMMAH Domain name upon detection by a service provider or notification from an Internet security agency that the .UMMAH Domain name may contain malicious software or violate the .UMMAH AUP.

In such circumstances, neither UMMAH DIGITAL, its employees, delegees, agents, assigns nor the external service provider or Internet security agency triggering the suspension shall be liable to the Registrant or any other person on account of any service disruption or loss, irrespective of the nature of that loss.

- 9. *Disputes Involving Registrants.* The Registrant acknowledges that post-sunrise UMMAH DIGITAL does not screen or otherwise review any Application to verify that the Registrant has legal rights to use a particular character string in a .UMMAH Domain name. In the event that any party disputes the Registrant's legal right to use, display, exploit, or register the .UMMAH Domain name in any fashion, including allegations that prohibited material (as defined in the UMMAH DIGITAL Acceptable Use Policy) is displayed on or linked to from a website which is resolved via a .UMMAH Domain name, the Registrant shall act in accordance with and agree to be bound by ICANN's Uniform Dispute Resolution Policy UDRP, Uniform Rapid Suspension policy or UMMAH DIGITAL's Complaint Resolution Policy. The Registrant is strongly encouraged to, prior to applying for registration of the .UMMAH Domain name, perform a trademark search with respect to the acronyms, words and/or phrases comprising the .UMMAH Domain name. The Registrant will be solely liable in the event that the Registrant's use of a .UMMAH Domain name constitutes an infringement or other violation of a third party's rights.
- 10. *Indemnity.* The Registrant shall defend, indemnify, and hold harmless UMMAH DIGITAL, the registry operator, accredited registrars and such parties' officers, directors, shareholders, owners, managers, employees, agents, contractors, affiliates, lawyers and attorneys ("UMMAH DIGITAL Related Parties") from and against any and all claims of third parties or made by or against the Registrant, including, but not limited to all loss, liability, claims, demands, damages, cost or expense, causes of action, suits,

proceedings, judgments, awards, executions and liens, including lawyers or attorneys' fees, which fees shall be determined on a full indemnity basis, (which lawyers or attorneys shall be hired at the sole discretion of the indemnified party) and costs (including claims without legal merit or brought in bad faith), relating to or arising under this Agreement, the registration or use of the indemnified party's domain registration or other services, or to the .UMMAH Domain name itself, including the Registrant's use, display, exploitation, or registration of the .UMMAH Domain name, as well as for any infringing or otherwise damaging content displayed or otherwise made available on or by means of the .UMMAH Domain name. If an indemnified party is threatened by claims or suit of a third party, the indemnified party may seek written assurances from the Registrant concerning the Registrant's indemnification obligations but will not be required to do so in order to rely upon this indemnity. Failure to provide such written assurances in a form satisfactory to the indemnified party is a material breach of this Agreement. Failure of the Registrant to fully indemnify the indemnified party in a timely manner may result in termination, suspension, or modification of the domain name registration services and any such termination, suspension, or modification shall in no way prejudice or substitute for an indemnified party's right to seek indemnification by way of litigation or otherwise.

11. **DISCLAIMER AND LIMITATION OF LIABILITY.** The Registrant acknowledges and agrees that, to the maximum extent permitted by law, UMMAH DIGITAL AND THE UMMAH DIGITAL RELATED PARTIES SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF PROFITS, HOWEVER ARISING, INCLUDING BUT NOT LIMITED TO ANY CIRCUMSTANCE RELATING TO FAILURE OR REFUSAL TO REGISTER, THE USE, SUSPENSION, TERMINATION OR INABILITY TO USE THE DOMAIN, OR IN ANY OTHER WAY RELATED TO THE DOMAIN, REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING IN THE CASE OF NEGLIGENCE BY UMMAH DIGITAL RELATED PARTIES), OR OTHERWISE. ADDITIONALLY, UMMAH DIGITAL AND, TO THE MAXIMUM EXTENT PERMITTED BY LAW, UMMAH DIGITAL RELATED PARTIES SHALL NOT BE LIABLE FOR ANY LOSSES OR DAMAGES THAT THE REGISTRANT MAY INCUR AS A RESULT OF UNAUTHORIZED USE OF THE DOMAIN ARISING FROM "HACKING", DENIAL OF SERVICE ATTACK, VIRUS, WORM OR OTHERWISE, OR FOR LACK OF FITNESS FOR A PARTICULAR PURPOSE OF THE DOMAIN OR SERVICES RELATED TO THE DOMAIN NAME.
- IN THE EVENT THAT UMMAH DIGITAL OR AN UMMAH DIGITAL RELATED PARTY TAKES ACTION WITH RESPECT TO A .UMMAH DOMAIN NAME PURSUANT TO THIS AGREEMENT OR .UMMAH TLD Policies, WHICH ACTION IS REVERSED, MODIFIED, OR ACKNOWLEDGED TO HAVE BEEN INCORRECT BY UMMAH DIGITAL, AN UMMAH DIGITAL RELATED PARTY, BY OR THROUGH THE ICANN UNIFORM RAPID SUSPENSION SYSTEM, UMMAH DIGITAL COMPLAINT RESOLUTION SERVICE, OR BY A COURT, THEN REGISTRANT AGREES THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, UMMAH DIGITAL AND UMMAH DIGITAL RELATED PARTIES SHALL NOT BE LIABLE FOR ANY DAMAGES THAT THE REGISTRANT MAY SUFFER THEREBY, EVEN IF UMMAH DIGITAL OR UMMAH DIGITAL RELATED PARTIES HAVE BEEN ADVISED OF THE POTENTIAL FOR SUCH DAMAGES, AND EVEN IF UMMAH DIGITAL OR UMMAH DIGITAL RELATED PARTIES MAY FORESEE SUCH POSSIBLE DAMAGES. THE REGISTRANT'S SOLE REMEDY UNDER SUCH CIRCUMSTANCES SHALL BE THE RESUPPLY OF THE SERVICES OR, AT THE SOLE DISCRETION OF UMMAH DIGITAL, A REFUND OF THE REGISTRATION FEE, RENEWAL FEE (IF THE CIRCUMSTANCE OCCURRED DURING A RENEWAL TERM) OR REDEMPTION FEE, WHICH REMEDY THE REGISTRANT AGREES CONSTITUTES THE ONLY POSSIBLE DIRECT DAMAGES FLOWING FROM THIS AGREEMENT.

IN ADDITION, UMMAH DIGITAL AND UMMAH DIGITAL RELATED PARTIES ARE, TO THE MAXIMUM EXTENT PERMITTED BY LAW, NOT LIABLE FOR ANY DAMAGES THAT THE REGISTRANT MAY SUFFER BECAUSE OF SERVICE OR SYSTEM FAILURE, INCLUDING DOMAIN NAME SYSTEM FAILURE, ROOT SERVER FAILURE, INTERNET PROTOCOL ADDRESS OR ROUTING FAILURE, ACCESS DELAYS OR INTERRUPTIONS, DATA NON-DELIVERY OR MIS-DELIVERY, ACTS OF GOD, UNAUTHORIZED USE OF PASSWORDS, ERRORS, OMISSIONS OR MIS-STATEMENTS IN ANY INFORMATION OR OTHER SERVICES PROVIDED UNDER THIS AGREEMENT, DELAYS OR INTERRUPTIONS IN DEVELOPMENT OF WEB SITES, RE-DELEGATION OF THE .UMMAH TOP LEVEL DOMAIN NAME, OR BREACH OF SECURITY, EVEN IF UMMAH DIGITAL OR UMMAH DIGITAL RELATED PARTIES HAVE BEEN ADVISED OF THE POTENTIAL FOR SUCH DAMAGES, AND EVEN IF UMMAH DIGITAL OR UMMAH DIGITAL RELATED PARTIES MAY FORESEE SUCH POSSIBLE DAMAGES. THE REGISTRANT'S SOLE REMEDY FOR UMMAH DIGITAL OR UMMAH DIGITAL RELATED PARTIES' BREACH OF THIS AGREEMENT OR NEGLIGENCE SHALL BE, AT THE SOLE DISCRETION OF UMMAH DIGITAL OR UMMAH DIGITAL RELATED PARTIES, THE RESUPPLY OF THE SERVICES OR A REFUND OF THE REGISTRATION FEE, REDEMPTION FEE OR RENEWAL FEE (IF THE BREACH OCCURS DURING A RENEWAL TERM), WHICH REMEDY THE REGISTRANT AGREES CONSTITUTES THE ONLY POSSIBLE DIRECT DAMAGES FLOWING FROM THIS AGREEMENT. THE REGISTRANT'S SOLE REMEDY FOR AN ACTION NOT FLOWING FROM THIS AGREEMENT (IN TORT OR OTHERWISE) SHALL BE LIMITED TO THE AMOUNT OF MONEY PAID TO UMMAH DIGITAL OR UMMAH DIGITAL RELATED PARTIES BY THE REGISTRANT.

Notices to Registrant shall be delivered by registered or certified mail, postage prepaid, or reputable commercial courier service (e.g., Express Mail or Federal Express) in the manner of quickest delivery (i.e., overnight delivery, if possible) or, in the sole discretion of UMMAH DIGITAL or a UMMAH DIGITAL Related Party, by email or fax to the Registrant Information.

13. *Governing Law / Forum Selection.* For all disputes in which the UMMAH DIGITAL may be or is a party to the dispute, this Registrant Agreement shall be exclusively governed by the laws of Gambia applicable to contracts made and performed in Gambia, without regard to conflict of laws principles. The Registrant hereby consents to the exclusive personal jurisdiction of the courts of Gambia, for any and all claims or disputes directed against UMMAH DIGITAL and which arise out of, purport to enforce, construe, or otherwise relate to the .UMMAH Domain name, this Agreement, or UMMAH DIGITAL Policies. The exclusive venue for such action shall be the Courts of Gambia. The Registrant waives any right to object to venue or jurisdiction based on inconvenient forum or for any other reason, and the Registrant waives any statutory or other right pursuant to the laws of the jurisdiction in which Registrant resides to have a case relating to this

Agreement adjudicated or resolved in that jurisdiction. By way of information and not as a term binding against UMMAH DIGITAL, disputes not involving UMMAH DIGITAL as a party may be governed by a governing law and/or forum selection clause contained in a separate agreement, if any, between the Registrant and such other disputant (for example, disputes between an accredited registrar and a Registrant may be governed by a separate agreement, if any, between the Registrant and the accredited registrar); provided, however, that no such separate agreement may modify or waive either UMMAH DIGITAL's or Registrant's consent to exclusive choice of law, jurisdiction, and venue in Gambia and the courts of Gambia for disputes in which UMMAH DIGITAL is or may be a party, as described above.

14. *OWNERSHIP OF INFORMATION AND DATA.* Registrant agrees and acknowledges that UMMAH DIGITAL and/or any of UMMAH DIGITAL's delegees shall own all database, compilation, collective and similar rights, title and interests worldwide in any domain name database(s), and all information and derivative works generated from the domain name database(s) and that such domain name database(s) may include, without limitation, any information supplied by Registrant to a Registrar or the Registry Operator that appears, or should appear, in the WHOIS or similar RDNS information repositories, and any other information generated or obtained in connection with providing domain name registration services.
15. *Severability.* If any provision of this Agreement is held invalid, unenforceable, or void, the remainder of the Agreement shall not be affected thereby and shall continue in full force and effect as nearly as possible to reflect the original intention of UMMAH DIGITAL and the Registrant in executing this Agreement.
16. *No Waiver.* The failure of either party at any time to enforce any right or remedy available to it under this Agreement with respect to any breach or failure by the other party shall not be a waiver of such right or remedy with respect to any other breach or failure by the other party.
17. *Full Integration.* This Agreement, together with the UMMAH DIGITAL Policies expressly incorporated herein by reference, constitutes the entire agreement between the Registrant and UMMAH DIGITAL relating to the .UMMAH Domain name. No prior or contemporaneous written, oral, and electronic representation, negotiation, or agreement form a part of this Agreement, and this Agreement supersedes all prior written, oral, or electronic agreements between the Registrant and UMMAH DIGITAL relating to the .UMMAH Domain name. Additional agreements, if any, may be entered into between the Registrant and accredited registrars relating to domain name services in the .UMMAH TLD provided by such accredited registrars, provided that no such additional agreement may waive, alter, or supersede any provision of this Agreement nor may such an additional agreement impose any obligation upon UMMAH DIGITAL without UMMAH DIGITAL's express written consent. If there is any conflict between such additional agreements and this Agreement, this Agreement shall prevail.
18. *Written Agreement.* This Agreement constitutes a written agreement between Registrant and UMMAH DIGITAL even though the Registrant's Application may be dispatched electronically, and even though UMMAH DIGITAL may accept the Application electronically. A printed version of this Agreement, and of any notice given in electronic form related to this Agreement, shall be admissible in judicial or administrative proceedings to the same extent, and subject to the same restrictions, as other business contracts,

documents, or records originally generated and maintained in printed form.

19. *Assignment.* The parties agree that UMMAH DIGITAL is able to assign this Agreement to a third party without prior written notice to the Registrant.

20. *Survival of Obligations.* The parties agree that clauses 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 19 shall survive the expiry or termination of this Agreement.

THIS AGREEMENT IS EFFECTIVE AND BINDING as of the date of acceptance hereof by UMMAH DIGITAL (i.e., the date a .UMMAH Domain name is activated).

UMMAH DIGITAL .UMMAH TLD | ACCEPTABLE USE POLICY
V2 DRAFT, MAY 21 2012

This **Acceptable Use Policy** ("AUP") sets out the actions prohibited to users of UMMAH DIGITAL's or Registry Services Provider's Network. "Users" are defined as anyone who uses or accesses the .UMMAH domain registry, who has responsibility for one or more resource records in the .UMMAH zone files generated from the .UMMAH TLD registry, Registrants of a .UMMAH Top Level Domain ("TLD") name and/or users of hardware, name servers, bandwidth, telecommunications transport, zone files or e-mail routing services managed by UMMAH DIGITAL or the .UMMAH Registry Services Provider.

This policy applies recursively to all .UMMAH Domain names (which end in the five letter suffix .UMMAH), including second-level .UMMAH Domain names (such as <com.UMMAH>) and sub second-level domains (such as <example.com.UMMAH>) which resolve as a result of sub-delegation. However, no reference in this document constitutes a licence to perform sub-delegation or otherwise sub-licence any right obtained under the Registrant Agreement or .UMMAH TLD Policies.

This AUP is in addition to rules governing qualifications for registration. Use of a .UMMAH Domain name or the UMMAH DIGITAL Network in a manner that contravenes this AUP, may result in the suspension or revocation of a registrant's right to use a .UMMAH Domain name or to continue to be recognized as the registrant of a .UMMAH Domain name. Suspension or revocation may apply to one or more .UMMAH Domain names for which User is a registrant in addition to a particular .UMMAH Domain name which may have given rise to a particular complaint.

UMMAH DIGITAL reserves the right to modify or update this AUP at any time and any such modifications or restatements shall be posted on UMMAH DIGITAL's website at <http://www.nic.ummah> from time to time. UMMAH DIGITAL will use reasonable commercial efforts to inform designated contacts in the event of changes to this AUP. Such efforts may include posting the revised AUP on UMMAH DIGITAL's website and/or sending email notice that this AUP has been modified or updated.

INTRODUCTION

- UMMAH DIGITAL supports the free flow of information and ideas over the Internet. UMMAH DIGITAL does not exercise editorial control over the content of any message or web site made accessible by domain name resolution services in the .UMMAH TLD.
- UMMAH DIGITAL may discontinue, suspend, or modify the services provided to any .UMMAH Domain name (for example, through modification of .UMMAH zone files), to address alleged violations of this AUP or ICANN policy. UMMAH DIGITAL, its agents or nominees may determine at their sole discretion whether use of the UMMAH DIGITAL network or a .UMMAH Domain name is prima facie violation of this AUP. UMMAH DIGITAL or affected parties may utilize ICANN dispute resolution processes, UMMAH DIGITAL AUP Complaint Resolution Service (CRS) and/or the courts in the jurisdiction and venue specified in the Registrant Agreement to resolve disputes over interpretation and implementation of this AUP, as described more fully in the ICANN Uniform Rapid Suspension System policy and UMMAH DIGITAL's AUP CRS.
- Users of the UMMAH DIGITAL Network are obliged and required to ensure that their use of a .UMMAH Domain name or the UMMAH DIGITAL's and Registry Services Provider's Network is at all times lawful, in accordance with the requirements of this AUP and applicable laws and regulations, and respectful of Islamic values.
- This AUP should be read in conjunction with the UMMAH DIGITAL **Registrant Agreement**, **Privacy and RDDS Policy**, and other applicable agreements, policies, laws and regulations.
