

Purpose:

This document contains Atgron's draft policy for the .WED top level domain ("TLD"), included are the .WED [Registrant Agreement](#), .WED [Acceptable Use Policy](#) ("AUP"), and the .WED [Privacy and RDDS Policy](#).

Context:

The documents that follow create a contractual and policy framework that protects Registrants, Internet users and the .WED brand by combating abuse of the DNS, mitigating cybercrime, protecting intellectual property, and aligning use of the .WED TLD with Atgron's target market and ICANN policy. The .WED policies will invariably be updated from time to time in order to comply with Atgron (and where required) ICANN policies.

The proposed policy matrix addresses the acceptable use of .WED domains in recognition of the fact that the DNS is often part of the publication chain of Internet content. While Atgron cannot remove prohibited, malicious or unlawful content from the Internet, Atgron will endeavour to ensure that .WED TLD's Registry Services are not part of the publication chain.

The .WED domain licence is subject at all times to a Registrant's compliance with the .WED AUP. The contractual and policy framework allows for registry-level suspensions for AUP violations, URS and UDRP transfers.

[Registrant Agreement](#) – This is a collateral agreement that supersedes Registrar-Registrant agreements and binds the registrant to Atgron's .WED Acceptable Use, Privacy and RDDS policy, ICANN dispute resolution mechanisms and Atgron's Complaint Resolution Service.

[Acceptable Use Policy](#) – The AUP policy is incorporated by reference into the [Registrant Agreement](#) and defines the acceptable use of the Atgron and Registry Services Provider's network and all domains that end in .WED.

[Privacy & RDDS Policy](#) – This policy is incorporated by reference into the Registrant Agreement and describes the .WED Privacy and RDDS (WHOIS) policy.

This **REGISTRANT AGREEMENT** (the "Agreement") is entered into, by and between the applicant for registration of the .WED domain name ("Registrant") and Atgron, Inc. "Atgron". Additional agreements provided by ICANN accredited registrars, if any, may be entered into between the Registrant and such accredited registrars relating to domain name services in the .WED TLD, provided that no such additional agreement may waive, alter, or supersede any provision of this Agreement or ICANN policy. If there is any conflict between such additional agreements and this Agreement, this Agreement shall prevail.

TERMS AND CONDITIONS:

1. *By applying to register one or more .WED domain names (".WED Domain name(s)") in the .WED TLD (hereinafter referred to as an "Application") or by using one or more .WED Domain name(s), the Registrant acknowledges that they have read and agree to be bound by all terms and conditions of this Agreement as well as the other documents, policies, and agreements which are incorporated into this Agreement by this reference and which shall hereinafter (together with this Agreement) be referred to as "Atgron Policies":*

The Atgron .WED TLD Policies, including:

- The Privacy and RDDS Policy
- The Atgron .WED Acceptable Use Policy ("AUP")
- ICANN Uniform Rapid Suspension System ("URS") and UDRP rules and policies
- The Atgron .WED Complaint Resolution Service ("CRS") rules and policies
- Other Atgron or ICANN rules or policies that are now, or may in the future, be published by Atgron.

The Atgron Policies are recursive, they apply to all domains and sub-level domains, which end in the suffix .WED and explain the rights and obligations between Atgron and the Registrant. Those parts of the Atgron Policies, which are not part of the text of this Agreement, are incorporated into this Agreement by this reference. Atgron may accept the Application by facilitating registration and resolution of .WED Domain name(s); such acceptance shall be deemed to have occurred at Atgron's principal place of business in The United States of America.

Atgron may modify the Atgron Policies from time to time. Atgron shall post (publish on or link to) the Atgron Policies on Atgron's web site. Revised Atgron Policies become effective twenty-one (21) calendar days after posting. Atgron may inform registrants of changes to Atgron Policies via email and the Registrant agrees that such email shall not be considered spam; however, Atgron shall not be obligated to provide such notice via email.

The Registrant's use of the .WED Domain name(s) following the effective date constitutes the Registrant's acceptance of the revised Atgron Policies. In the event that the Registrant does not wish to be bound by the revised Atgron Policies, the Registrant's sole remedy is to cancel the registration of the .WED Domain name(s), following the appropriate Atgron Policies regarding such cancellation.

2. *Registration Fee.* The Registrant shall pay to an ICANN accredited registrar the appropriate registration fee ("Registration Fee") applicable at the time the Registrant submits its Application to such accredited registrar. Payment of Registration Fees shall be made in accordance with the requirements of the accredited registrar's and Atgron's Policies effective at the time the Registrant submits the application for registration and/or any payment required to maintain a registration. All Registration Fees paid pursuant to this Agreement are non-refundable except as provided for herein. It shall be the responsibility of the accredited registrar to pay the appropriate registration fee owed to Atgron by such registrar and Atgron will not be bound to accept any Application until such separate registration fee is paid and a domain is Activated by the Registry Services Provider. It shall not be the duty of Atgron to refund any Registration Fee or other fee to the Registrant in the event of non-performance by such registrar.
3. *Term and Renewal Term.* The Registrant's exclusive registration of the .WED Domain name shall continue for the term specified in an accepted Application (the "Term"), subject to Atgron's right to suspend or terminate this agreement.
4. *Registrant Information.* The Registrant shall ensure that: (i) the information submitted by or on behalf of the Registrant to the .WED TLD registry in connection with registration of the .WED Domain name(s) or otherwise ("Registrant Information") is and will be maintained as true, current, complete, accurate, and reliable for the duration of the Term, in accordance with Atgron Policies; and (ii) the Registrant shall maintain, update, and keep the Registrant Information true, current, complete, accurate, and reliable by notifying Atgron immediately of a change to any such information in accordance with the appropriate Atgron Policy relating to modifications to the Registrant Information. Atgron reserves and may exercise the right to suspend and/or terminate the Registrant's registration of the .WED Domain name if (i) information provided by the Registrant to Atgron appears to Atgron in its sole discretion to be false, inaccurate, incomplete, unreliable, or misleading in any respect; or (ii) the Registrant fails to maintain, update, and keep the Registrant Information true, current, complete, accurate, and reliable. The Registrant acknowledges that a breach of this Section will constitute a material breach of this Agreement, which will entitle Atgron to terminate this Agreement immediately upon such breach without any refund of the Registration Fee and without notice to the Registrant.

For the purpose of the agreement, "true" contact information is defined as information which is identical in every way to that which is provided by the Registrant to the Registrar during or after registration, true contact details shall not be obfuscated or altered by the Registrar prior to lodging with Atgron or the .WED Registry Services provider.

- (i) The Registrant acknowledges that all personal information about the Registrant which is supplied to Atgron or an accredited registrar may be required to be publicly disclosed to third parties and used to maintain a public "WHOIS" service, provided that such disclosure is consistent with Atgron Policies.
- (ii) Registrants must provide the following information to Atgron or its accredited registrar:

- Details identifying the Registrant organization including, in the case of an incorporated Registrant, any company number or equivalent identifier and, in the case of an individual, the individual's first and last name (surname).
- Legally recognized first and last name (surname) of the contact person for the Registrant (this contact person may be the Registrant itself).
- If the Registrant is an organization, association, Limited Liability Company, Proprietary Limited Company, or other legally recognized entity, the contact person must be a person authorized under the applicable law in the applicable territory to legally bind the entity.
- Valid postal address of the Registrant.
- Working e-mail address of the Registrant.
- Working telephone number for the Registrant, including, area code, and, if applicable, any required extension number.

Providing true, current, complete, and accurate contact information is an absolute condition of registration of a .WED Domain name within the .WED TLD. If any Registrant Information provided during registration or subsequent modification to that information is false, inaccurate or misleading, or conceals or omits pertinent information, Atgron may instruct the registry to terminate, suspend or place on hold the .WED Domain name(s) of any Registrant without notification and without refund to the Registrant

- (iii) The Registrant is responsible for keeping the Registrant Information up-to-date and responding in a timely fashion to communications regarding the .WED Domain name or other .WED domains registered by them.
 - (iv) The Registrant may be requested to submit content, material, web page(s) or URL(s) accessed through Atgron's network to the operators of Internet content filters, and such requests shall be a binding obligation.
 - (v) The Registrant grants an irrevocable licence to the Atgron, its agents and assignees to access, monitor and scan any content published, including where such processes involve an intrusion or cause modification of data, providing such scanning is for the purpose of identifying internet security vulnerabilities or the presence of malicious software or content capable of causing harm or disruption to the systems of other Internet users.
5. *Agents.* The Registrant understands, acknowledges and agrees that by using the .WED Domain name, the Registrant ratifies and is bound by this Agreement (including the Atgron Policies incorporated into this Agreement) even if an agent (such as an Internet Service Provider, Domain name retailer, or employee) entered into this Agreement on the Registrant's behalf, and even if the Registrant has not itself read this Agreement. Further, the Registrant is responsible for all information submitted by its agent. Atgron may but will not

be bound to cancel this Agreement, or refund any fees, because of any errors or omissions by the agent in the registration process or thereafter (e.g. if such agent provides incorrect Registrant Information), as such apparent authority will suffice to bind the Registrant. By acting on the Registrant's behalf, such agent represents and warrants to the Registrant and Atgron that the agent is authorized to bind the Registrant hereto and that it has fully and thoroughly advised the Registrant of the terms and conditions of this Agreement (including the Atgron Policies incorporated into this Agreement).

6. *Scope of Registration.* On payment of the Registration Fee to the registrar and after payment by the registrar to Atgron of the separate registration fee and after acceptance of the Application, the Registrant will be entitled to a limited, non-assignable, licence for the exclusive use of the .WED Domain name, subject to continuing compliance with the terms of this agreement and .WED TLD Policies, for the Term. However, the Registrant will not sub-license, use, display, exploit, or register a .WED Domain name in any manner which, in the sole discretion of Atgron or its delegee, may constitute illegal activity or cause or permit any contravention or violation of Atgron Policies, whether or not in connection with the registered domain name. The Registrant acknowledges that a breach of this Section will constitute a material breach of this Agreement, which will entitle Atgron to terminate this Agreement or take such other action as it deems desirable without any refund of the Registration Fee. Atgron or an accredited registrar may, in such party's sole discretion, refuse registration of or discontinue provision of services with respect to the Registrant's desired .WED Domain name within sixty (60) calendar days from receipt of payment of the Registration Fee by the accredited registrar. In case of such refusal without cause ("cause" being defined as dishonouring any payment made to an accredited registrar and/or Atgron or any violation of the Atgron Policies.) Neither Atgron nor an accredited registrar shall be liable for any loss, damage, or other injury whatsoever, including economic or consequential loss, resulting from Atgron or registrar's refusal to register or to discontinue services in relation to the Registrant's desired .WED Domain name, including in case of negligence.
7. *Registrant Representations and Warranties.* The Registrant represents, warrants, and guarantees that:
 - (i) the Registrant understands that registration entitles the Registrant only to a limited licence for the use of the Domain name for the Term, subject to compliance with this Agreement, Atgron Policies and other pertinent rules and laws, including those concerning trade marks and other types of intellectual property, as these may now exist or be revised from time to time;
 - (ii) the Registrant will not sub-licence, purport to sub-licence, delegate sub-domains within or otherwise permit use by persons other than the Registrant portions of, the .WED Domain name;
 - (iii) to the best of the Registrant's knowledge and belief, neither the registration of the .WED Domain name nor the manner in which it is to be directly or indirectly used infringes the legal rights or intellectual property rights of a third party;

- (iv) the Registrant will use, display, or exploit the .WED Domain name in good faith, and in accordance with the laws of the United States of America, international law, and applicable state laws and regulations, and will not use the .WED Domain name in any way which may violate a subsisting right of Atgron or any third party;
- (v) the information provided by the Registrant is true and accurate, and the Registrant will update said information immediately if it changes;
- (vi) the Registrant is either (a) an identifiable human individual (over the age of 18 years); or (b) a properly described and legally recognized entity (such as a Limited Liability Company, Partnership, Association, Society or Proprietary Limited Company);
- (vii) the Registrant will promptly notify Atgron of any actual or threatened proceedings brought in respect to the words used as or incorporated in the .WED Domain name whether by or against the Registrant;
- (viii) the Registrant will not, directly or indirectly, through registration or use of the .WED Domain name or otherwise:
 - (a) register a .WED Domain name for the purpose of unlawfully diverting trade from another business or website;
 - (b) deliberately register as a .WED Domain name misspellings of another entity's personal, company or brand name or confusingly similar Domain name(s) in order to pass-off or trade on the business, goodwill or reputation of another;
 - (c) grant or purport to grant a security interest or other encumbrance on or over the .WED Domain name unless such security interest or other encumbrance does not exceed the limited rights of the Registrant in the .WED Domain name, does not impair the Registrant's ability to fulfil the Registrant's obligations under this Agreement, and does not impose obligations on Atgron beyond the obligations owed by Atgron to a registrant in the absence of such a security interest or encumbrance;
- (ix) the Registrant meets and will continue to meet for the whole of the Term any eligibility criteria prescribed in the Atgron Policies for registering and using the .WED Domain name;
- (x) that the Registrant will maintain the Registrant Information provided pursuant to the requirements of this agreement;
- (xi) the Registrant has not previously submitted an application for registration of a domain name for the same character string with another registrar where:
 - (a) the Registrant is relying on the same eligibility criteria for both domain name applications; and
 - (b) the character string has previously been rejected by the other registrar;

- (xii) any content, material or web page contained on any Uniform Resource Locator (“URL”), web site or web page accessing, utilising or accessed by means of the .WED Domain name complies with the Atgron Acceptable Use Policy and does not contain any illegal or prohibited content, including, but not limited to indecent, obscene, or pornographic material (as described more fully in the Atgron Acceptable Use Policy), whether incorporated directly into or linked from a web site resolved via a .WED Domain name;
 - (xiii) the Registrant warrants that it has not relied upon any representation or promise which does not appear in this agreement;
 - (xiv) the use of the .WED Domain name and of any web page or URL accessed by or utilising the .WED Domain name will comply with the requirements of the Atgron's Acceptable Use Policy and Atgron's recommended policies including, without limitation, those policies relating to spam.
8. *Breach.* Failure of a Registrant to abide by any provision of this Agreement (including Atgron Policies) will be considered a material breach. In the event of such material breach, Atgron may immediately suspend the Domain name and/or may provide a written (including email) notice to the Registrant describing the breach. The Registrant in such event then has thirty (30) days to rectify or cure such breach or to provide evidence reasonably satisfactory to Atgron that there is no breach of this Agreement or Atgron Policies. In the event of a breach that is not rectified, cured or refuted by the Registrant to Atgron's satisfaction, Atgron may cancel the Registrant's registration of and licence to use the .WED Domain name without refund and without further notice, and pursue any and all legal remedies it may have against the Registrant. Any such breach by the Registrant shall not be waived in the event that Atgron did not act earlier in response to the breach by Registrant. In the event of a breach which, in the opinion of Atgron or an accredited registrar, causes immediate harm to the public interest or the Atgron Network or which violates any applicable law or regulation, then an accredited registrar and/or Atgron or its nominee or agent may modify, suspend, or terminate services to the Registrant without written notice, the modification, suspension, or termination of services constituting notice to Registrant that such a breach has occurred. See Section below for important limitations on the liability of Atgron and accredited registrars with regard to good faith acts by such parties under this Section.

Atgron may delegate authority to:

- (i) investigate any breach or potential breach of .WED TLD Policies; and
- (ii) take action to cure or sanction any breach or potential breach of .WED TLD Policies;

Including the authority to automatically suspend use of the .WED Domain name upon detection by a service provider or notification from an Internet security agency that the .WED Domain name may contain malicious software or violate the .WED AUP.

In such circumstances, neither Atgron, its employees, delegees, agents, assigns nor the external service provider or Internet security agency triggering the suspension shall be liable to the Registrant or any other person on account of any service disruption or loss, irrespective of the nature of that loss.

9. *Disputes Involving Registrants.* The Registrant acknowledges that post – sunrise Atgron does not screen or otherwise review any Application to verify that the Registrant has legal rights to use a particular character string in a .WED Domain name. In the event that any party disputes the Registrant's legal right to use, display, exploit, or register the .WED Domain name in any fashion, including allegations that prohibited material (as defined in the Atgron Acceptable Use Policy) is displayed on or linked to from a website which is resolved via a .WED Domain name, the Registrant shall act in accordance with and agree to be bound by ICANN's Uniform Dispute Resolution Policy UDRP, Uniform Rapid Suspension policy or Atgron's Complaint Resolution Policy. The Registrant is strongly encouraged to, prior to applying for registration of the .WED Domain name, perform a trademark search with respect to the acronyms, words and/or phrases comprising the .WED Domain name. The Registrant will be solely liable in the event that the Registrant's use of a .WED Domain name constitutes an infringement or other violation of a third party's rights.
10. *Indemnity.* The Registrant shall defend, indemnify, and hold harmless Atgron, the registry operator, accredited registrars and such parties' officers, directors, shareholders, owners, managers, employees, agents, contractors, affiliates, lawyers and attorneys ("Atgron Related Parties") from and against any and all claims of third parties or made by or against the Registrant, including, but not limited to all loss, liability, claims, demands, damages, cost or expense, causes of action, suits, proceedings, judgments, awards, executions and liens, including lawyers or attorneys' fees, which fees shall be determined on a full indemnity basis, (which lawyers or attorneys shall be hired at the sole discretion of the indemnified party) and costs (including claims without legal merit or brought in bad faith), relating to or arising under this Agreement, the registration or use of the indemnified party's domain registration or other services, or to the .WED Domain name itself, including the Registrant's use, display, exploitation, or registration of the .WED Domain name, as well as for any infringing or otherwise damaging content displayed or otherwise made available on or by means of the .WED Domain name. If an indemnified party is threatened by claims or suit of a third party, the indemnified party may seek written assurances from the Registrant concerning the Registrant's indemnification obligations but will not be required to do so in order to rely upon this indemnity. Failure to provide such written assurances in a form satisfactory to the indemnified party is a material breach of this Agreement. Failure of the Registrant to fully indemnify the indemnified party in a timely manner may result in termination, suspension, or modification of the domain name registration services and any such termination, suspension, or modification shall in no way prejudice or substitute for an indemnified party's right to seek indemnification by way of litigation or otherwise.
11. **DISCLAIMER AND LIMITATION OF LIABILITY.** The Registrant acknowledges and agrees that, to the maximum extent permitted by law, Atgron **AND THE Atgron RELATED PARTIES** SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF PROFITS, HOWEVER ARISING, INCLUDING BUT NOT LIMITED TO ANY CIRCUMSTANCE

RELATING TO FAILURE OR REFUSAL TO REGISTER, THE USE, SUSPENSION, TERMINATION OR INABILITY TO USE THE DOMAIN, OR IN ANY OTHER WAY RELATED TO THE DOMAIN, REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING IN THE CASE OF NEGLIGENCE BY Atgron RELATED PARTIES), OR OTHERWISE. ADDITIONALLY, Atgron AND, TO THE MAXIMUM EXTENT PERMITTED BY LAW, Atgron RELATED PARTIES SHALL NOT BE LIABLE FOR ANY LOSSES OR DAMAGES THAT THE REGISTRANT MAY INCUR AS A RESULT OF UNAUTHORIZED USE OF THE DOMAIN ARISING FROM "HACKING", DENIAL OF SERVICE ATTACK, VIRUS, WORM OR OTHERWISE, OR FOR LACK OF FITNESS FOR A PARTICULAR PURPOSE OF THE DOMAIN OR SERVICES RELATED TO THE DOMAIN NAME.

IN THE EVENT THAT Atgron OR AN Atgron RELATED PARTY TAKES ACTION WITH RESPECT TO A .WED DOMAIN NAME PURSUANT TO THIS AGREEMENT OR .WED TLD Policies, WHICH ACTION IS REVERSED, MODIFIED, OR ACKNOWLEDGED TO HAVE BEEN INCORRECT BY Atgron, AN Atgron RELATED PARTY, BY OR THROUGH THE ICANN UNIFORM RAPID SUSPENSION SYSTEM, Atgron COMPLAINT RESOLUTION SERVICE, OR BY A COURT, THEN REGISTRANT AGREES THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, Atgron AND Atgron RELATED PARTIES SHALL NOT BE LIABLE FOR ANY DAMAGES THAT THE REGISTRANT MAY SUFFER THEREBY, EVEN IF Atgron OR Atgron RELATED PARTIES HAVE BEEN ADVISED OF THE POTENTIAL FOR SUCH DAMAGES, AND EVEN IF Atgron OR Atgron RELATED PARTIES MAY FORESEE SUCH POSSIBLE DAMAGES. THE REGISTRANT'S SOLE REMEDY UNDER SUCH CIRCUMSTANCES SHALL BE THE RESUPPLY OF THE SERVICES OR, AT THE SOLE DISCRETION OF Atgron, A REFUND OF THE REGISTRATION FEE, RENEWAL FEE (IF THE CIRCUMSTANCE OCCURRED DURING A RENEWAL TERM) OR REDEMPTION FEE, WHICH REMEDY THE REGISTRANT AGREES CONSTITUTES THE ONLY POSSIBLE DIRECT DAMAGES FLOWING FROM THIS AGREEMENT.

IN ADDITION, Atgron AND Atgron RELATED PARTIES ARE, TO THE MAXIMUM EXTENT PERMITTED BY LAW, NOT LIABLE FOR ANY DAMAGES THAT THE REGISTRANT MAY SUFFER BECAUSE OF SERVICE OR SYSTEM FAILURE, INCLUDING DOMAIN NAME SYSTEM FAILURE, ROOT SERVER FAILURE, INTERNET PROTOCOL ADDRESS OR ROUTING FAILURE, ACCESS DELAYS OR INTERRUPTIONS, DATA NON-DELIVERY OR MIS-DELIVERY, ACTS OF GOD, UNAUTHORIZED USE OF PASSWORDS, ERRORS, OMISSIONS OR MIS-STATEMENTS IN ANY INFORMATION OR OTHER SERVICES PROVIDED UNDER THIS AGREEMENT, DELAYS OR INTERRUPTIONS IN DEVELOPMENT OF WEB SITES, RE-DELEGATION OF THE .WED TOP LEVEL DOMAIN NAME, OR BREACH OF SECURITY, EVEN IF Atgron OR Atgron RELATED PARTIES HAVE BEEN ADVISED OF THE POTENTIAL FOR SUCH DAMAGES, AND EVEN IF Atgron OR Atgron RELATED PARTIES MAY FORESEE SUCH POSSIBLE DAMAGES. THE REGISTRANT'S SOLE REMEDY FOR Atgron OR Atgron RELATED PARTIES' BREACH OF THIS AGREEMENT OR NEGLIGENCE SHALL BE, AT THE SOLE DISCRETION OF Atgron OR Atgron RELATED PARTIES, THE RESUPPLY OF THE SERVICES OR A REFUND OF THE REGISTRATION FEE, REDEMPTION FEE OR RENEWAL FEE (IF THE BREACH OCCURS DURING A RENEWAL TERM), WHICH REMEDY THE REGISTRANT AGREES CONSTITUTES THE ONLY POSSIBLE DIRECT DAMAGES FLOWING FROM THIS AGREEMENT. THE REGISTRANT'S SOLE REMEDY FOR AN ACTION NOT FLOWING FROM THIS AGREEMENT (IN TORT OR OTHERWISE) SHALL BE LIMITED TO THE AMOUNT OF MONEY PAID TO Atgron OR Atgron RELATED PARTIES BY THE REGISTRANT.

Notices to Registrant shall be delivered by registered or certified mail, postage prepaid, or reputable commercial courier service (e.g., Express Mail or Federal Express) in the manner of quickest delivery (i.e., overnight delivery, if possible) or, in the sole discretion of Atgron or an Atgron Related Party, by email or fax to the Registrant Information.

13. *Governing Law / Forum Selection.* For all disputes in which the Atgron may be or is a party to the dispute, this Registrant Agreement shall be exclusively governed by the laws of the United States of America applicable to contracts made and performed in the United States of America, without regard to conflict of laws principles. The Registrant hereby consents to the exclusive personal jurisdiction of the courts of Delaware in the United States of America, for any and all claims or disputes directed against Atgron and which arise out of, purport to enforce, construe, or otherwise relate to the .WED Domain name, this Agreement, or Atgron Policies. The exclusive venue for such action shall be the Courts of Delaware in the United States of America. The Registrant waives any right to object to venue or jurisdiction based on inconvenient forum or for any other reason, and the Registrant waives any statutory or other right pursuant to the laws of the jurisdiction in which Registrant resides to have a case relating to this Agreement adjudicated or resolved in that jurisdiction. By way of information and not as a term binding against Atgron, disputes not involving Atgron as a party may be governed by a governing law and/or forum selection clause contained in a separate agreement, if any, between the Registrant and such other disputant (for example, disputes between an accredited registrar and a Registrant may be governed by a separate agreement, if any, between the Registrant and the accredited registrar); provided, however, that no such separate agreement may modify or waive either Atgron's or Registrant's consent to exclusive choice of law, jurisdiction, and venue in the United States of America and the courts of the state of Delaware for disputes in which Atgron is or may be a party, as described above.

14. *OWNERSHIP OF INFORMATION AND DATA.* Registrant agrees and acknowledges that Atgron and/or any of Atgron's delegees shall own all database, compilation, collective and similar rights, title and interests worldwide in any domain name database(s), and all information and derivative works generated from the domain name database(s) and that such

domain name database(s) may include, without limitation, any information supplied by Registrant to a Registrar or the Registry Operator that appears, or should appear, in the WHOIS or similar RDDS information repositories, and any other information generated or obtained in connection with providing domain name registration services.

15. *Severability.* If any provision of this Agreement is held invalid, unenforceable, or void, the remainder of the Agreement shall not be affected thereby and shall continue in full force and effect as nearly as possible to reflect the original intention of Atgron and the Registrant in executing this Agreement.
16. *No Waiver.* The failure of either party at any time to enforce any right or remedy available to it under this Agreement with respect to any breach or failure by the other party shall not be a waiver of such right or remedy with respect to any other breach or failure by the other party.
17. *Full Integration.* This Agreement, together with the Atgron Policies expressly incorporated herein by reference, constitutes the entire agreement between the Registrant and Atgron relating to the .WED Domain name. No prior or contemporaneous written, oral, and electronic representation, negotiation, or agreement form a part of this Agreement, and this Agreement supersedes all prior written, oral, or electronic agreements between the Registrant and Atgron relating to the .WED Domain name. Additional agreements, if any, may be entered into between the Registrant and accredited registrars relating to domain name services in the .WED TLD provided by such accredited registrars, provided that no such additional agreement may waive, alter, or supersede any provision of this Agreement nor may such an additional agreement impose any obligation upon Atgron without Atgron's express written consent. If there is any conflict between such additional agreements and this Agreement, this Agreement shall prevail.
18. *Written Agreement.* This Agreement constitutes a written agreement between Registrant and Atgron even though the Registrant's Application may be dispatched electronically, and even though Atgron may accept the Application electronically. A printed version of this Agreement, and of any notice given in electronic form related to this Agreement, shall be admissible in judicial or administrative proceedings to the same extent, and subject to the same restrictions, as other business contracts, documents, or records originally generated and maintained in printed form.
19. *Assignment.* The parties agree that Atgron is able to assign this Agreement to a third party without prior written notice to the Registrant.
20. *Survival of Obligations.* The parties agree that clauses 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 19 shall survive the expiry or termination of this Agreement.

THIS AGREEMENT IS EFFECTIVE AND BINDING as of the date of acceptance hereof by Atgron (i.e., the date a .WED Domain name is activated).

This **Acceptable Use Policy** ("AUP") sets out the actions prohibited to users of Atgron's or Registry Services Provider's Network. "Users" are defined as anyone who uses or accesses the .WED domain registry, who has responsibility for one or more resource records in the .WED zone files generated from the .WED TLD registry, Registrants of a .WED Top Level Domain ("TLD") name and/or users of hardware, name servers, bandwidth, telecommunications transport, zone files or e-mail routing services managed by Atgron or the .WED Registry Services Provider.

This policy applies recursively to all .WED Domain names (which end in the three letter suffix .WED), including second-level .WED Domain names (such as <nic.WED>) and sub second-level domains (such as <example.nic.WED>) which resolve as a result of sub-delegation. However, no reference in this document constitutes a licence to perform sub-delegation or otherwise sub-licence any right obtained under the Registrant Agreement or .WED TLD Policies.

This AUP is in addition to rules governing qualifications for registration. Use of a .WED Domain name or the Atgron Network in a manner that contravenes this AUP, may result in the suspension or revocation of a registrant's right to use a .WED Domain name or to continue to be recognized as the registrant of a .WED Domain name. Suspension or revocation may apply to one or more .WED Domain names for which User is a registrant in addition to a particular .WED Domain name which may have given rise to a particular complaint.

Atgron reserves the right to modify or update this AUP at any time and any such modifications or restatements shall be posted on Atgron's website at {[Insert Link]} from time to time. Atgron will use reasonable commercial efforts to inform designated contacts in the event of changes to this AUP. Such efforts may include posting the revised AUP on Atgron's website and/or sending email notice that this AUP has been modified or updated.

INTRODUCTION

- Atgron supports the free flow of information and ideas over the Internet. Atgron does not exercise editorial control over the content of any message or web site made accessible by domain name resolution services in the .WED TLD.
- Atgron may discontinue, suspend, or modify the services provided to any .WED Domain name (for example, through modification of .WED zone files), to address alleged violations of this AUP or ICANN policy. Atgron, its agents or nominees may determine at their sole discretion whether use of the Atgron network or a .WED Domain name is prima facie violation of this AUP. Atgron or affected parties may utilize ICANN dispute resolution processes, Atgron AUP Complaint Resolution Service (CRS) and/or the courts in the jurisdiction and venue specified in the Registrant Agreement to resolve disputes over interpretation and implementation of this AUP, as described more fully in the ICANN Uniform Rapid Suspension System policy and Atgron's AUP CRS.
- Users of the Atgron Network are obliged and required to ensure that their use of a .WED Domain name or the Atgron's and Registry Services Provider's Network is at all times lawful and in accordance with the requirements of this AUP and applicable laws and regulations.

- This AUP should be read in conjunction with the Atgron **Registrant Agreement**, **Privacy and RDDS Policy**, and other applicable agreements, policies, laws and regulations. By way of example, and without limitation, the Registrant Agreement sets forth representations and warranties and other terms and conditions, breach of which may constitute non-compliance with this AUP.

PROHIBITED USE

A “Prohibited use” of the Atgron Network or a .WED Domain name is a use which is expressly prohibited by provisions of this AUP or otherwise by operation of law. Registration of one or more .WED Domain names or access to services provided by Atgron may be cancelled or suspended for any breach of, or non-compliance with this AUP.

The non-exhaustive list of restrictions pertaining to use of Atgron’s or Registry Services Provider’s Network and .WED Domain names in relation to various purposes and activities are as follows:

6. DATA QUALITY

- 6.1** Atgron may take reasonable steps to make sure that the Personal Information it collects, uses or discloses is accurate, complete and up-to-date.

This includes email, sms or phone communication between the Registry Services Provider and the registrant that bypasses the Registrar where such communication is required to validate contact information lodged by a Registrar and/or activate a .WED domain.

9.3 However, where providing access would reveal evaluative information generated within Atgron in connection with a commercially sensitive decision-making process, Atgron may give the Registrant an explanation for the commercially sensitive decision rather than direct access to the information.

9.4 If Atgron holds Personal Information about a Registrant and the Registrant is able to establish that the information is not accurate, complete and up-to-date, Atgron shall take reasonable steps to correct the information so that it is accurate, complete and up-to-date, as requested by the Registrant in accordance with Atgron Policies and procedures, except where the data is contained in an historical record or archive.
