Dear Mr. President:

Thank you for your letter of February 15, 2012 wherein you outlined SportAccord's plan to acquire the .sport domain name.

I am pleased to inform you that the FISA supports this important initiative and we wish you success in this endeavor. However, due to limited personnel resources, FISA does not choose to take an active role on the Policy Advisory Board.

Thank you for your commitment and ongoing work in support of your Member Federations.

Sincerely,
