美东华人社团联合总会完全支持政务和公益机构域名注册管理中心

(CONAC) 向互联网名称与数字地址分配机构

(ICANN) 申请“.政务”中文顶级域字符串。

“政务”中文顶级域主要面向中国境内外的政务机构和其他承担行政职能的机构。它是开展电子政务工作，向广大网民和社会公众提供在线服务，方便广大中文用户获取权威、准确、有效的政务信息和享受在线服务的重要条件。美东华人社团联合总会是在中国境外访问“.政务”域名的重要用户，代表了纽约市使用中文的社群。“政务” TLD 的成功申请，将为我们使用中文访问政务类网站提供极大便利。

我们已与申请人在制定此提议方面进行了密切合作，愿意通过书面方式表达对 CONAC 申请“.政务”中文顶级域字符串的全力支持。

美东华人社团联合总会支持该申请，知悉 CONAC 在申请成功后，必须与 ICANN 签订《注册管理机构协议》，按要求向 ICANN 缴纳各类费用，并遵守 ICANN 通过多方协调机制而形成的各项政策。

该申请作为基于社群的申请提交，因此我们理解其对应的《注册管理机构协议》将含有对于社群的限制性条款。如果发现 CONAC 没有遵守这些限制条款，我们可采用“注册限制争议解决程序”等方式予以追索。

美东华人社团联合总会全力支持 CONAC 申请“.政务”中文顶级域达到成功，因为我们相信他们能够：

凭借其先进的技术和成熟的管理经验，全面有效地行使 “.政务”中文顶级域注册管理机构的各项职能；

通过推广和发展中文域名，帮助政务类机构在互联网空间内为占世界人口五分之一的汉语使用者提供有效、便捷、可及和安全的公共服务；

通过推广和发展中文域名，缩小数字鸿沟，加速电子政务在全球，特别是在

中国的发展；

有效地管理“.政务”域名的名字空间，最大程度上防止域名的滥用，切实保障本社群的利益。

此外，CONAC 与中国政务类机构有着十分广泛和密切的联系，并是获得中华人民共和国工业和信息化部的授权，负责“.政务.cn”域名注册管理的非营利性机构。

我们认为，CONAC 是代表本社群申请“.政务”中文顶级域最合适的机构，也会为“.政务”社群在互联网的发展发挥重要和积极的作用，因此我们仅支持 CONAC 一家作为政务中文社群的代表向 ICANN 申请“.政务”中文顶级域，不再对与“.政务”字符串相似或容易引起混淆的类似中文顶级域字符串出具支持背书。

美东华人社团联合总会知悉申请评估组的任务之一是对此文件的真实性进行调查。如在此过程中需要其他信息，请与我们联系。

Attention: New GTLD Evaluation Process

Subject: Letter for support for ".政务" (government affairs)

This letter is to confirm that United Chinese Association of Eastern U.S. fully supports the application for ".政务" submitted to ICANN by China Organizational Name Administration Center (CONAC) in the New TLD Program.

".政务" TLD mainly serves government entities and other organizations that perform administrative functions both inside and outside China, and it is vital for the community to execute E-Government, to provide online public services, and to make official, accurate and valid administrative information available online. United Chinese Association of Eastern U.S., as the representative of the Chinese community in XX city, is a key internet user community that access ".政务" domain outside the territory of China. The successful delegation of ".政务" TLD will facilitate our visit to government related websites using Chinese language.

We have worked closely with the applicant in the development of this proposal, and support this application. In doing so, we understand that in the event that the application is successful, CONAC will be required to enter into a Registry Agreement with ICANN, pay fees to ICANN and comply with consensus policies developed through the ICANN multi-stakeholder policy processes.

This application is being submitted as a community-based application, and as such it is understood that the Registry Agreement will reflect the community restrictions proposed in the application. In the event that we believe the registry is not complying with these restrictions, possible avenues of recourse include the Registry Restrictions Dispute Resolution Procedure.

United Chinese Association of Eastern U.S. fully supports CONAC to

achieve its success in delegating the TLD, for we believe they are capable of

1. operating a secure ".政务" TLD registry with advanced technology and management expertise to effectively serve the government affair community;
2. promoting Chinese domain names that will viably assist the government organs to offer accessible, secure and customized online public services to Chinese language users which dominate one fifth of the world population;
3. penetrating ".政务" TLD so as to narrow the digital divide and speeding up the development of the E-Government around the world and in China in particular;
4. managing the ".政务" name space effectively, minimizing domain name abuse and protecting the fundamental interest of the community.

United Chinese Association of Eastern U.S. believes that CONAC is the most proper entity in the community to apply for ".政务" TLD, and will play a key role in promoting the development of the community in cyber space. Therefore, we support CONAC as an exclusive entity to apply for ".政务" TLD, and will not provide endorsement for other Chinese TLD strings bearing similarity to ".政务" TLD or causing possible confusion.

United Chinese Association of Eastern U.S. understands that the Evaluation Panels engaged by ICANN will, among other things, conduct due diligence on the authenticity of this documentation. For additional information, please contact us.

Subject: Letter for support for ".政务" (government affairs)

This letter is to confirm that **Roundtable of Southern California Chinese-American Organizations** fully supports the application for ".政务" submitted to ICANN by China Organizational Name Administration Center (CONAC) in the New gTLD Program.

".政务" TLD mainly serves government entities and other organizations that perform administrative functions both inside and outside China, and it is vital for the community to execute E-Government, to provide online public services, and to make official, accurate and valid administrative information available online. **Roundtable of Southern California Chinese-American Organizations**, as the representative of the Chinese community in Los Angeles city, is a key internet user community that access ".政务" domain outside the territory of China. The successful delegation of ".政务" TLD will facilitate our visit to government related websites using Chinese language.

We have worked closely with the applicant in the development of this proposal, and support this application. In doing so, we understand that in the event that the application is successful, CONAC will be required to enter into a Registry Agreement with ICANN, pay fees to ICANN and comply with consensus policies developed through the ICANN multi-stakeholder policy processes.

This application is being submitted as a community-based application, and as such it is understood that the Registry Agreement will reflect the community restrictions proposed in the application. In the event that we believe the registry is not complying with these restrictions, possible avenues of recourse include the Registry Restrictions Dispute Resolution Procedure.
