Table 1

| S/N | Name of period | Description of period | Time | Remarks |
|---|---|---|---|---|
| 1 | Verification period | After having received the application and the registration fee, the Applicant conducts verification. | 5 days | Defined by the Applicant |
| 2 | Add grace period | Add grace period is 5 days starting from the date of domain name registration, during which, if the domain name is deleted, the system will automatically return the registration fee to the applicant. | 5 days | Defined by ICANN |
| 3 | Transfer restriction period | The registered domain name shall not be transferred within 60 days starting from the date of registration. | 60 days starting from the registration date | Defined by Tele-info, Ltd. |
| 4 | Normal period | During this period, operations of transfer, deletion, renewal and update can be performed for the registered domain name. | Starting from the 61$^{st}$ day till the expiry day | Defined by ICANN |
| 5 | Auto renew grace period | After the expiry date of the registered domain name, so long as there is sufficient remaining deposit in the registrar's account, the domain name will automatically enter into the auto renew period. Tele-info, Ltd. will keep this domain name in the DNS zone file and continue to provide resolution service. | 45 days | Defined by ICANN |
| 6 | Redemption | The registrar is allowed to redeem the | 15 days | Defined by |

| S/N | Name of period | Description of period | Time | Remarks |
|-----|----------------|-----------------------|------|---------|
|  | grace period | domain name by restore operation only. |  | ICANN |
| 7 | Pending delete period | During this period, the domain name cannot be used and all requests from the registrar for domain name operation will be rejected.  Such a status will be maintained for 5 days.  Afterwards, the domain name will be deleted and an application for re-registration can be filed. | 5 days | Defined by ICANN |
| 8 | Transfer grace period | Transfer grace period lasts for 15 days after successfully transferring domain, within this period, transfer fee for domain name deletion will be refunded. | 15 days | Defined by ICANN |
| 9 | Renew grace period | Transfer grace period lasts for 15 days after successful renew of domain, within this period, transfer fee for domain name deletion will be refunded. | 15 days | Defined by ICANN |
