Attention: New gTLD Evaluation Process

Letter of Support for the .wien Initiative by punkt.wien GmbH

Ladies and Gentlemen,

I am a representative of the Austrian Federal Ministry of Transport, Innovation and Technology. I am also Austria's Member in the Governmental Advisory Committee of ICANN

Our organization is a supporter of the .wien initiative of punkt.wien GmbH.

This letter is to confirm that I continue to fully support the application for .wien by punkt.wien GmbH submitted to ICANN. The .wien TLD will be used to provide a namespace for all Viennese worldwide on the Internet. I have accompanied and supported punkt.wien GmbH and its executives closely in the development of this proposal. I understand that in the event that the application is successful, punkt.wien GmbH will enter into an agreement with ICANN. In doing so, the company will be required to comply with consensus policies developed through the ICANN multi-stakeholder policy processes.

As the Austrian GAC-Member I confirm that I have the authority to be writing to you on this matter. My contact data are:

Federal Ministry of Transport, Innovation and Technology
