To Whom It May Concern,

**Re: Application by The Canadian Real Estate Association (CREA) for the .MLS Top Level Domain Name**

This is a letter of support for the community application by CREA for the .MLS Top Level Domain (TLD). The Ottawa Real Estate Board is a member of CREA and represents approximately 2,800 individual brokers and salespersons in the real estate industry (REALTORS®), all of whom are also members of CREA, and all of whom are licensees of CREA's MLS® trademark.

CREA has owned the MLS® trademark for over half a century and it is considered to be an extremely valuable asset of organized real estate. The Ottawa Real Estate Board is licensed to display the MLS® trademark in association with the operation of its MLS® System. It is the MLS® trademark that signifies to the consumer the quality, accuracy and completeness of the listing content on our MLS® System. Similarly, it is the MLS® trademark that identifies our REALTOR® members as the exclusive providers of MLS® services.

We believe it is critical both for the protection of the MLS® trademark and for the ongoing ability of our members to distinguish themselves in terms of their access to MLS® Systems that CREA obtain the .MLS TLD. We therefore strongly support the community application of CREA.

Yours sincerely,  
Ottawa Real Estate Board

Carol Mallett, CAE,  
Executive Vice President.
