Dear President,

The FDI World Dental Federation offers an enthusiastic support to Hexap in its will to administrate the **.med** extension in compliance with the ethical standards demanded by the medical field online.

We agree on this project's mission designed to create a new sphere of trust by ascribing these domain names exclusively to healthcare professionals.

We believe that this innovative opportunity will open up a new namespace for the medical community that resonates worldwide.

Sincerely,

A handwritten signature in black ink, appearing to read 'JL', with a long vertical line extending downwards from the bottom of the signature.
