**SPECIFICATION 11
PUBLIC INTEREST COMMITMENTS**

1. Registry Operator will use only ICANN accredited registrars that are party to the Registrar Accreditation Agreement approved by the ICANN Board of Directors on [date to be determined at time of contracting], 2013(or any subsequent form of Registrar Accreditation Agreement approved by the ICANN Board of Directors) in registering domain names. A list of such registrars shall be maintained by ICANN on ICANN’s website.

2. Registry Operator will operate the registry for the TLD in compliance with all commitments, statements of intent and business plans stated in the following sections of Registry Operator’s application to ICANN for the TLD, which commitments, statements of intent and business plans are hereby incorporated by reference into this Agreement. Registry Operator’s obligations pursuant to this paragraph shall be enforceable by ICANN and through the Public Interest Commitment Dispute Resolution Process established by ICANN (posted at [url to be inserted when final procedure is adopted]), as it may be amended by ICANN from time to time, the “PICDRP”). Registry Operator shall comply with the PICDRP. Registry Operator agrees to implement and adhere to any remedies ICANN imposes (which may include any reasonable remedy, including for the avoidance of doubt, the termination of the Registry Agreement pursuant to Section 4.3(e) of the Registry Agreement) following a determination by any PICDRP panel and to be bound by any such determination.

[Registry Operator to insert specific application sections here, if applicable]

3. Registry Operator agrees to perform following specific public interest commitments, which commitments shall be enforceable by ICANN and through the PICDRP. Registry Operator shall comply with the PICDRP. Registry Operator agrees to implement and adhere to any remedies ICANN imposes (which may include any reasonable remedy, including for the avoidance of doubt, the termination of the Registry Agreement pursuant to Section 4.3(e) of the Registry Agreement) following a determination by any PICDRP panel and to be bound by any such determination.

As we are in continuing discussions with the Government of Australia concerning resolution of their Early Warning, we reserve the right to amend this PIC Spec as necessary.

1) Infibeam will add to the list of reserved names a list mutually agreed to second level domain names such as police, fire, emergency, etc that would be reserved at the registry level and not be available for registration.

2) Infibeam will establish a point of contact for reports of abuse that include allegations of deception involving the Triple Zero Emergency Call Service. Upon notification of such an instance, we will immediately investigate the issue and suspend the domain as necessary.

3) Infibeam will develop and add to our Acceptable Use Policy language that specifically calls out and prohibits the use of domain names that might cause confusion with the Triple Zero Emergency Call Service.
