

Application ID: 1-922-56316

Applicant: **China Organizational Name Administration Center (CONAC)**

gTLD String: “.政务”

SPECIFICATION 11
PUBLIC INTEREST COMMITMENTS for “.政务”TLD

1. Registry Operator will use only ICANN accredited registrars that are party to the Registrar Accreditation Agreement approved by the ICANN Board of Directors on _____, 2013(or any subsequent form of Registrar Accreditation Agreement approved by the ICANN Board of Directors) in registering domain names. A list of such registrars shall be maintained by ICANN on ICANN’s website.

2. ☒ Registry Operator will operate the registry for the TLD in compliance with all commitments, statements of intent and business plans stated in the following sections of Registry Operator’s application to ICANN for the TLD, which commitments, statements of intent and business plans are hereby incorporated by reference into this Agreement. Registry Operator’s obligations pursuant to this paragraph shall be enforceable by ICANN and through the Public Interest Commitment Dispute Resolution Process established by ICANN ((posted at [url to be inserted when final procedure is adopted])), as it may be amended by ICANN from time to time, the “PICDRP”). Registry Operator shall comply with the PICDRP. Registry Operator agrees to implement and adhere to any remedies ICANN imposes (which may include any reasonable remedy, including for the avoidance of doubt, the termination of the Registry Agreement pursuant to Section 4.3(e) of the Registry Agreement) following a determination by any PICDRP panel and to be bound by any such determination.

CONAC hereby commits to incorporate the commitments, statements of intent and business plans stated in the responses to Question 18, 22, 28 and 29 and section 20.2.3 of the response to Question 20 in “.政务” TLD Application into the Registry Agreement signed with ICANN, which include Registration Eligibility, Name Selection, Restriction on Registration/Use, Reservation and Protection of Names, Appeal Mechanism to Registrants, Operating Rules to Eliminate or Minimize Social Cost, Accountability Mechanisms of CONAC to the Community, Protections of Geographic Names, Abuse Prevention and Mitigation, and Rights Protection Mechanism, etc.

3. ☒ Registry Operator agrees to perform following specific public interest commitments, which commitments shall be enforceable by ICANN and through the PICDRP. Registry Operator shall comply with the PICDRP. Registry

Operator agrees to implement and adhere to any remedies ICANN imposes (which may include any reasonable remedy, including for the avoidance of doubt, the termination of the Registry Agreement pursuant to Section 4.3(e) of the Registry Agreement) following a determination by any PICDRP panel and to be bound by any such determination.

CONAC hereby commits to incorporate its responses to GAC early warning into public interest commitments.

CONAC also commits to incorporate its response to Clarification Question 29 from new gTLD Evaluation Panel into public interest commitments.
