As a brand gTLD, registration of second level domains is based on our business requirements and priorities. Only our company and designated third parties (e.g. other companies with whom we partner, specific customers, etc.) will be allowed to register or operate second level domains under .man domain space and solely with our permission.

In particular, this includes supporting the Uniform Rapid Suspension (URS) procedures and the Trademark Post-Delegation Dispute Resolution Procedure (Trademark PDDRP) to suspend the domain.
